

Revision of the instruction manual for the BOJ Time-Series Data Search

March 21, 2025

Bank of Japan

The instruction manual for the BOJ Time-Series Data Search, titled "Beginners' Manual for BOJ Time-Series Data Search Easy-to-Use On-Screen Instructions for Data Searching and Graph Drawing," has been partially revised on the following pages according to the update in the statistical data search function.

[Changes in the manual]

1. Change to the explanation on page 6 (the paragraph that starts with *)
2. Addition of the explanation on page 14 (the paragraph that starts with *)
